September 8, 2010

Dear Mr. Robinson:

The Federation of Hillside and Canyon Associations, representing thirty-three homeowner associations in the Santa Monica Mountains in Los Angeles, is proud to endorse the California State Parks Initiative, Proposition 21.

The goals of the California State Parks Initiative support the mission statement of the Federation of Hillside and Canyon Associations. The preservation of and access to open space and its natural habitat is essential to our well being. We humans as a species seem to be hard-wired to get back to nature. This initiative provides a win/win solution to the problem of securing a reliable funding source for our state parks in exchange for free day-use access to our state parks.

Sincerely yours,

Marian Dodge
